

Brown Bagging for Calgary's Kids

Every day, the BB4CK community works to ensure that every student in Calgary has access to a healthy lunch at school. Right now, we are aware of 4,200 kids who go to school without a healthy lunch each day – an increase of more than 1,000 kids (more than 30%) in the last 12 months. BB4CK feeds kids in Kindergarten through grade 12 in 220 Calgary schools.

Lunch Sponsorship

There are a variety of ways that you can sponsor the lunches. You can choose the opportunity that works best for your group.

\$2,000 will pay for every lunch that your group makes. A typical morning in the BB4CK Kitchen sees up to 2,000 lunches made for hungry kids, and each lunch costs about \$1. Your support will pay for all the food and supplies necessary for your day.

\$1,000 will supply all the fruit, vegetables and buns that your group will use to make lunches for hungry kids during your morning in the BB4CK Kitchen.

\$500 will provide all the fruit and vegetables that you will use to make healthy lunches for kids during your morning in the BB4CK Kitchen.

A **snack drive** will see your group bring in a variety of most-needed food items to supplement lunch making. Find a list of items that we can accept [here](#).

Thank you!

We can't wait to have your group join us in the Kitchen soon! Whichever of the above opportunities you select, this addition of sponsorship will increase the impact you will have. You will feed thousands of hungry kids with your time and your contribution.

To make a donation online, please visit www.bb4ck.org/donate-now. If you'd like to bring your donation to the Kitchen, please let us know in advance.

If you have questions or would like more information about this, please contact Bethany Ross at bethany@bb4ck.org, or call 403 264 7979.
