# Brown Bagging for Calgary's Kids

For **over 30 years** Brown Bagging for Calgary's Kids (BB4CK) has been dedicated to ensuring that kids have the nutritious lunches they need to succeed at school. At BB4CK, we work to bring people together to provide thousands of lunches to kids across Calgary every school day, making food accessible to those who need it, when they need it.

Recently, we have expanded our efforts to support kids and families beyond the school environment, envisioning a future where no child experiences hunger.

## Mission

Connect and inspire people to take meaningful action in feeding and caring for kids.

## Vision

A future where communities ensure no kids go hungry.

## What is Feeding Futures?

The Feeding Futures program unites local restaurants and businesses with Brown Bagging for Calgary's Kids' mission to connect kids to food and create food security.

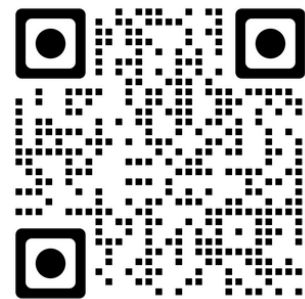

## How Does it Work?

When you offer a special Feeding Futures item, a portion from each purchase goes directly to providing a nutritious lunch for a kid in Calgary through Brown Bagging for Calgary's Kids.
