

BROWN BAGGING FOR
Calgary's Kids

BB4CK CORPORATE VOLUNTEER PACKAGE

WHO WE ARE?

Good nutrition is vital to a child's health, education, and future. In 2022, 1 in 3 or 2,100,000 children in Canada's 10 provinces live in a food insecure household. Kids who are living in food-insecure households, are at greater risk of dropping out of school and are more likely to experience mental and physical health problems.

That's why the Brown Bagging for Calgary's Kids (BB4CK) community works so hard to ensure kids are fed every school day.

Through our School Lunch Program, BB4CK feeds thousands of kids from kindergarten to Grade 12 every day. BB4CK volunteers make and deliver lunches to more than 7,500 kids in more than 270 schools across the city. Our lunch program has seen close to a 20% rise in need within the last year and continues to grow as food prices rise.

LET'S MAKE LUNCHES TOGETHER!

BB4CK is completely community supported and funded. With food prices rising by over 27% since last year, we could not care for and feed kids in our community without our volunteers dedication and financial support. We ask that in addition to your volunteer time, you make a donation to help cover the cost of the food used to make the kids' lunches. Please refer to the following page to choose the donation amount that works for your organization.

"HUNGRY BELLIES ARE DISTRACTING AND KIDS WHO ARE HUNGRY ARE NOT ABLE TO CONCENTRATE IN THEIR LEARNING. LUNCHES MAKE ALL THE DIFFERENCE!!"
