BB4CK GROUP VOLUNTEER OPPORTUNITIES FOR GENEROSITY

Who is Brown Bagging for Calgary's Kids (BB4CK)?

For over 30 years, Brown Bagging for Calgary's Kids (BB4CK) has been dedicated to ensuring every child in our city has access to the food they need to thrive. Together with our BB4CK community—volunteers, parents, school staff, and donors—we connect kids to nutritious lunches through school lunches and summer camps programs, and by learning from and supporting families. We are committed to providing low-barrier, dignified access to food, ensuring every child feels cared for and supported by their community.

Through our School Lunch Program, BB4CK volunteers make and deliver lunches to over 7,800 kids in more than 280 schools across the city, every school day. The need in our city has grown tremendously over the past several years and Brown Bagging has grown too, working alongside our community to support those kids.

What is the need in our community?

Food Insecurity remains a significant issue in Canada, with the latest numbers from 2024 showing the highest estimates in almost twenty years. Approximately, 10 million people, including 2.5 million children, lived in households that struggled to afford the food they need. In Alberta, it is reported that 1 in 3 children lived in a household experiencing food insecurity.

That's why the Brown Bagging for Calgary's Kids community works so hard to ensure kids are supported every school day.

Let's make lunches together!

BB4CK is a community-funded organization powered by volunteers and the generosity of the community to support kids with the food they need. We ask that in addition to your volunteer time, you consider making a monetary donation to help with food and deepen your impact. Please refer to the following page to choose the donation amount that works for your organization.

Please use this link to make your donation today: [SEND LUNCHES 4 KIDS](#). Or contact groupvolunteering@bb4ck.org to discuss alternative payment options.

"I want to express appreciation for your continued support of lunches for the students at our school! It is much appreciated by staff, students and families and does so much more for the kids than just feed a hungry tummy, it prepares them for learning!"
